BRAHMATECH – 2025
PROJECT COMPETITION

Event Description:

Model Presentation (Working / Non – working) is an effective way of representing and describing an innovative idea. Now a day's lots of different technologies are available for implementing an innovative idea. Every Student has different thinking capacity and area of interest. This is an opportunity to exercise their technical mind. Project presentation is a unique competition where students are encouraged to convert their ideas into model & also understand the difficulties which arrive during its practical implementation. Also, by interacting with students of different institutes they will understand many different prospective. This is a chance to apply all the theoretical engineering knowledge that has been taught in the class rooms. So, we are providing a platform to demonstrate model making talent for students. This competition useful for students of various streams

Round Format:

Round 1: Participant teams are required to send detail abstract of their project which they are planning to build to event at-brahmatech@engg.brahmavalley.com

Round 2: In this round, participants have to present their model/ presentations in front of the judge during Moments.

Judging criteria:

- Creativity (20 Points).
- Scientific Thought - Engineering Goals (20 Points)
- Thoroughness (20 Points)
- Skill of Understanding (10 Points)
- Presentation and Clarity (20 Points)
- Teamwork (10 Points)

BRAHMATECH – 2025

PROJECT COMPETITION

Rules:

- Inter college teams are allowed.

- A model along with SELF EXPLANATORY POSTER can be presented at the events (not compulsory).

- The project should be related to ENGINEERING AND TECHNOLOGY.

- There should be maximum FOUR members in a group.

- The core idea should be NOVEL and INNOVATIVE.

- Focus should be on giving a simple and inexpensive solution to a problem. However, it is not a necessary condition for participation.

- The teams have to register themselves to participant in the event.

- The candidates will be required to present working principal along with demonstration of model or presentation and then it will be followed by questions-answers session.

- Best three groups will be rewarded with the prize money.

- The participant can be of any department.

- Certificates will be given to all the participants.

- Each member of the team must contain the Identity card of his/her respected institute.

- Unethical behavior could lead to disqualification.

- Faculty-coordinators have all the rights to take final decision for any matter during the event.

- Rules may subject of change*.

*All the rights will be reserved for organizing committee
