This Memorandum of Understanding (MOU) is entered into on this Thursday of 27/08/2021, by and

between "Nashik Gramin Shikshan Prasarak Mandal's Brahma Valley College of Engineering & Research Institute, Anjaneri, Nashik (hereinafter referred as **BVCOE&RI**) and Sai Samarth Transformers, Sangamner (hereinafter referred as **SSTS**)

BVCOE&RI and **SSTS** agree that cooperation in Industry Institute Interaction, Certification Training, Internship, Final Placement and student and faculty exchanges would be mutually beneficial. The areas of cooperation may include, subject to mutual consent, any desirable and feasible activity that would further the goals of each institution. Such interaction may include cooperation in a variety of joint academic and educational activity such as:

- 1) Internship and Final placements
- 2) Certification Training
- 3) Webinar, Guest lecturer and workshops
- 4) FDP (Faculty Development Programme)
- 5) Industrial Visits
- 6) Consultancy work on industry projects
- 7) Center of Excellence

WHEREAS **BVCOE&RI** is a leading educational institution in the field of Technical Education. AND WHEREAS **SSTS** Is Sangamner based is a leading company that has made a name itself in Transformers Manufacturing & service provider activities. **SSTS** is desirous to collaborate with **BVCOE&RI** for conducting Seminar, Workshop, Guest Lectures, Webinars and providing certification training, internship and placement opportunities to **BVCOE&RI** students which shall be subject to the availability of vacancies.

AND WHEREAS **BVCOE&RI** has agreed for such collaboration.

AND NOW THEREFORE, **SSTS** and **BVCOE&RI**,

In consideration of the mutual representations, warranties and covenants contained herein, and subject to the terms and conditions set forth in this MOU, and intending to be legally bound, hereby agree as follows:

1. DURATION

This MOU shall be valid for a term of Five (5) year from the effective date and shall be renewed for such further period as may be decided mutually by both the parties.

2. OBJECTIVES:

BVCOE&RI AND SSTS will supplement and complement each other in the areas of mutual benefits for the expertise of students and corresponding need of **SSTS**

- 1) To provide Internship opportunities and Final placements for students
- 2) To Provide certification Training
- 3) To design & implement Industry specific course
- 4) Conduct Webinar, Guest lecturer and workshop as per availability
- 5) Conduct FDP
- 6) Helps with Industrial Visits (if possible)

3. COMMERCIALS:

The Commercials will be discussed and finalized separately and would be documented through raising necessary PO and Invoice on the other party

Deliverables from SSTS:

SSTS is a Sangamner based leading electrical transformers manufacturing company with maximum result & minimum efforts in every engineering domain to achieve best quality in engineering with enhanced quality.

SSTS is pleased to offer internship program **with your esteemed College BVCOE&RI & provide a career building opportunity.**

SSTS will prepare students to be a well-developed R&D set up primarily focused on innovation studies to develop new, efficient & safer processes, value added services, technology development, industrial service provider, with expertise in industrial services.

SSTS may use the name of the institute on their website for institute Campaigns and photographs of the institute Campaign may be uploaded on the website.

SSTS will provide Internship and Certification Training in following domains:

- R&D Technologies
- Innovative studies
- Technology developments

Apart from this,

- SSTS will provide sponsored FDP/workshop in every semester.
- Encourage & support faculties, students for R&D activities and IPR.
- Placement Opportunities will be given to deserving candidates. Also, students who enroll for Training & Internship Program will get *placement assistance and consultations*.
- Consultancy work will be done by both the parties & the consultancy amount will be paid to the concerned faculty or institute for their *valuable contribution in company projects*.

All above mentioned things will be implemented under **Center of Excellence**

5. Deliverables from BVCOE&RI :

BVCOE&RI has to ensure availability of following infrastructure requirements.

- A properly closed computer lab in college with basic computer facilities, with a capacity of at least 30 seats where students can attend the deliverables/sessions with permission from college authorities.
- The venue must be available to use for time slot communicated and agreed by both parties
- The college students will be informed in advance about the e-mail and publicity posters.
- The institute has to ensure availability of following organizational requirements in their college.
 - i) One Faculty In charge
 - ii) 4 student volunteers from each class/ branch of Engineering
 - iii) Wi-Fi facility during the sessions
 - iv) Computers/PC's with pre-installed tools and software as requested by SSTS

9. CONFIDENTIALITY:

Both the parties may receive information proprietary to other party (the “Confidential Information”) in the course of performance of their obligations under this MOU. Confidential Information is not meant to include any information which (a) is publicly available (b) is rightfully received by the parties from third parties without accompanying secrecy obligations; (c) is already in either party’s possession and was lawfully received from sources other than the parties or (d) is independently developed by the parties. The two bodies understand and acknowledge that the Confidential Information is valuable and confidential and agrees that it will at all times be kept in trust, to be disclosed only to such persons on a “need to know basis” the same for the effective implementation of this MOU and that it will only be used by the parties for the benefit of others.

Both the parties understand and agree that all written or other tangible data and documentation developed or procured by the other party in performing its obligations under this MOU, whether in printed or electronic form, belongs to other party and that other party will have all rights, title and interest therein.

Both parties shall not use the name and brand of the other party in any advertisement or make any public announcement without the prior written approval of the other.

Invitation Letter

To,

Mr. Sahil Mukind,

Sai Samarth Transformer,

Nashik.

Subject: Invitation for Guest Lecture on '**Transformers and Transformer Protection**'.

Respected sir,

On behalf of Brahma Valley College of Engineering & Research Institute, Nashik, we are very pleased to have the honor of inviting you to conduct Guest Lecture at our institute. We would like you to speak on '**Transformers and Transformer Protection**'. The main objective of the Guest Lecture is to guide the students about Transformer Protection is to detect internal faults in the transformer with a high degree of sensitivity and cause subsequent de-energisation and, at the same time be immune to faults external to the transformer i.e. through faults.

We have arranged the Guest Lecture on **06/09/2021 at 2:00 pm**. We are expecting an audience of approximately 125 graduate students and faculty from the Electrical Engineering Department.

We request you to kindly accept the invitation.

Thanking You

ACTIVITY REPORT

Sr. No	Description	A.Y. 2020-21
1	Title of Activity	Transformers and Transformer Protection
2	Date & Venue	06/09/2021 , BVCOE & RI
3	Outcomes of Activity	After this lecture students will able to learn about how the transformers are protected against the faults and how the faults are detected and are cleared.
4	Objective	The primary objective of the Transformer Protection is to detect internal faults in the transformer with a high degree of sensitivity and cause subsequent de-energisation and, at the same time be immune to faults external to the transformer i.e. through faults.
5	Assessment of activity Outcome	Very useful and helpful
6	Feedback	Satisfied
7	Number of Participants	125
